02 knit polos

Tampering with a wardrobe staple like the polo shirt is a dicey move—but one that several deft designers manage to pull off this season. They've rendered the wussy garment in lightweight knits and understated prints more suited to James Dean circa 1955 than James Spader circa 1986. Pair the close-cut hybrids with dressy trousers and a highball—not Dockers and a Heineken.

Clockwise from top left: Hermès (\$1,025), www.hermes.com; Z Zegna (\$225), www.zegna.com; Fred Perry (\$175), 888-822-7639; Missoni (\$655), 212-517-9339.
